Simon's Bathroom

Hall bath renovation · 5'-0" × 8'-11" with walk-in shower

Design rendering from the doorway (Blender / Cycles). Finishes are representative.

DESIGN INTENT

Classic bath with a traditional brown-ash vanity (Carrara marble top, undermount oval basin), marble white marble basketweave floor, Hale Navy walls under a bright white ceiling, and a walk-in shower in honed Carrara marble 2×8, vertical stack floor to ceiling, over a Bianco Dolomite basketweave floor (honed in the shower), behind clear frameless glass. Shower system polished nickel (Delta); vanity faucet and knobs polished nickel.

GENERAL NOTES

1. Dimensions come from the design model (built from the owner's SketchUp file). Field-verify every dimension before ordering or cutting; the room has not been field-measured for this set.
2. Plan dimensions are to finished wall faces. Heights are above finished floor (AFF).
3. Fixture sizes are the specified products' published dimensions; confirm rough-ins against the manufacturer spec sheets on site.
4. Toilet: 12" rough-in, 15⅞" from the shower jog wall to centerline. CHECK: the owner's 32" vanity leaves only 13⅞" from its side to the toilet centerline -- below the 15" code minimum (IRC P2705 / IPC 405.3.1). Resolve before ordering: a 30" vanity, a narrower-depth/ wall-hung option, or an approved variance.
5. Shower: provide waterproof membrane on all wet walls and the pan, sloped to the drain. Niche is recessed into the window-side wall, lined in the Monet 2×8 with a marble sill.
6. Shower tile set-out: 2×8 marble upright in a vertical stack (joints aligned both ways), no liner. Back wall centred with equal 1¾" end cuts; side walls centred with equal 1½" cuts; first joint on the pan, full 8" rows up, cut row at the ceiling.
7. GFCI receptacle is required by code but not modeled — locate with the electrician. Exhaust: L-2 fan/light in the shower. MR-1 LED mirror: hardwire to a box behind the mirror (or plug-in), on the vanity circuit.
8. Owner direction: no plant or vase on the vanity; vanity faucet and knobs polished nickel.
